

PLEASE JOIN US FOR OUR THANKFOUNDING DAY EVENT

Thursday, November 27th 11am – 2:30pm

If you are fed up with just eating a lot and watching a ballgame, come join us “early” in the day to Joy-fully explore the deeper roots of this holiday, and focus with us on gratitude while we acknowledge together the bounty we have all around us. We will explore that “free” bounty during our Commemoration.

Please join us for:

Archery practice and lesson

Learning the pioneer self-sufficiency skill of making our own candles

Exploring native fiber crafting skills using yucca

Make wholesome and delicious foods we harvest together and cook on our outdoor stove

Learn to forage fresh wild food ingredients and create a unique “power food” salad

Share an early small meal prepared from readily available foods while discovering the historical context from which we found our mentalities and Selves in gratitude.

All this will take place at the lovely WTI headquarters located at:

5835 Burwood Ave. in Highland Park, CA., 90042

Suggested donation \$17-\$34.

We will give thanks for all we have – not what we want or feel we can possess, but what we have and thank the indigenous peoples for their generous sharing of what they knew of the bounty around them. Come join us to learn more about what you may or may not have realized is the bounty around you.
